

**EMBASSY OF SPAIN
LIBYA
(temporarily in Tunisia)**

MEDICAL VISA REQUIREMENTS

Those applicants must submit their visa application forms **in person** together with the following documents:

- 1.- A fully completed application form with one picture (within a white background).
- 2.- Original biometric passport and one copy. Passports should have a validity of at least one year from the date of your visa application submission.
- 3.- Medical certificate stating the type of illness and the treatment to be carried out. This document has to be in English or Spanish language.
- 4.- Letter from the hospital in Spain stating the appointment date and whether the treatment expenses have been already paid in full.
- 5.- Proof of financial means which enable the applicant to meet life needs while in Spain (salary certificate if working, bank statement for the last six months, property deeds, commercial licence, other sort of incomes).
- 6.- Travel insurance.
- 7.- Proof of accommodation (hotel reservation, etc)
- 8.- Applicants are advised that ALL PASSPORTS HAVE TO REMAIN at the Embassy premises while the visa application is under process (between 10 and 15 days), and therefore cannot be retrieved unless very special and urgent circumstances might arise.
- 9.- The Embassy has the right to require from the applicant any document that it may deem relevant in order to resolve the visa file.
